\$415

DISCOUNTED TUITION FOR BECTON H.S. STUDENTS

Dear Becton High School Parents and Students:

Lentz & Lentz SAT Preparation in cooperation with Becton High School Guidance Department is pleased to be offering an eight-session preparation course for the **May 4th or June 1st SAT**. As an 11th grader, your child is becoming increasingly aware of the importance of the SAT exams. **Classes begin the week of March 3rd with multiple locations throughout Bergen, Passaic and Essex Counties.** Eleventh graders who take the test early are able to determine if their scores need improvement and can prepare accordingly in a leisurely and productive fashion. Eleventh graders who register for this course are encouraged to take the May 4th or June 1st SAT.

The tuition includes course materials, extra help at no charge and access to our supplemental online download system that can be used for review or as a supplement for missed lessons. The downloads are extremely helpful to all students, especially those with cognitive and perceptual disabilities.

The course features tip sheets on grammar, test-taking strategies, math shortcuts, analysis of questions pertaining to algebra II, reading interpretation, vocabulary building, speed-reading improvement techniques, and the essay. We use our own copyrighted curriculum in conjunction with SAT type questions, which are designed to reflect the most recent changes in the format of the new SAT. Class size ranges from 8-18 students. All of our instructors have four-year degrees and are specifically trained in the new SAT format. **Students who complete the course can return in the fall before the November SAT for an extra six hours of free review.**

Students have relied on preparation programs to help increase their SAT and PSAT scores and have found that such programs work. Students should attend each and every class to get the maximum benefit from the program. **Classes will be held once a week with locations offered either on weekday evenings after school or on the weekends. Please see the schedule attachment included with this letter for locations near you. Your reduced rate for this program is \$415, including course curriculum. Register on or before January 21st and receive \$15 off tuition. Class space is limited and students are encouraged to register early in order to guarantee themselves a seat. All students who register for this course should be motivated to increase their SAT scores. It is important that both parents and students understand that there will be homework after every lesson and that this is an extra curricular program that students should want to do. It is not something students should be forced to do by their parents.**

We hope that you will take advantage of our program. To register you may use the application attached to this letter or register by phone or internet (www.Lentzsatprep.com) with your VISA, MASTER CARD or DISCOVER. **Register before January 21st to receive an additional \$15 off tuition.** Please note there is no walk-in registration accepted for this preparation course. All registration must be completed through Lentz & Lentz and not your guidance department. **Register early to guarantee your seat. Classes will fill up.** If you have questions, please feel free to call 845-638-2826.

Sincerely,
Lentz & Lentz SAT Preparation

Please cut on the dotted line and mail completed registration form with payment to the above address - PRINT CLEARLY
