CONGRATULATIONS!!

Your child is a senior and will be graduating Becton HS on June 20, 2019.

What is PROJECT GRADUATION?

Project Graduation is an event to ensure a safe, alcohol and drug free celebration. This event is held immediately following the graduation ceremony at a secret location and continues through the night until early the next morning. This event is filled with planned activities, food, entertainment, music and much more. It is offered to all Becton graduates of the class of 2019.

Who plans PROJECT GRADUATION?

Project Graduation is not a school planned event, nor is it funded by Becton. It is strictly planned by the Project Graduation Committee; which is made up of parents of the Senior Class. Project Graduation is funded by parents, students and fundraising! This night costs approximately \$400 per participant. As you can see this is a huge endeavor that needs everyone's participation.

What is expected of seniors to participate?

- First, they must choose whether they will participate in Project Graduation.
- Once their decision has been made they will have the choice of paying \$400

OR

Paying \$75 AND Physically participating in **no less than 5 fundraisers**. All seniors are expected to sell tickets to events and raffles, no matter what they choose to pay.

Communication is key!!

There will be many fundraising events held throughout the school year. We will communicate with the students in school. We will send emails home. Events will be posted on Becton's website under Project Graduation. If you provide us with your information, we will send email updates to you also.

We look forward to working with your senior and you!!

Thank you,
Your 2019 Becton PG Committee
